TYPHOON

Hardy Nova

The **TYPHOON HARDY** and **NOVA** are dry vacuum cleaners manufactured with recycled plastic materials to reduce wastage and protect the environment. They are compact and very mobile, perfect for a wide range of jobs in smaller areas, and come with full accessories kits and antimicrobial polyester filters. Together with high speed energy efficient motors, they help to reduce energy usage and conserve the environment.

The **HARDY** is light enough to hand carry and also store and stand on its rear, even on staircases. It also features optional HEPA filtration, for a more hygienic environment. While the **NOVA** can also be effortlessly moved around and offers larger capacity. Its integrated accessories holder makes carrying of cleaning tools convenient.
