

TYPHOON

V590

Versatile Wet / Dry Vacuum Cleaner

Discharge hose allows
effortless emptying of tank.

TYPHOON V590 wet/dry vacuum cleaner delivers exceptional power with effortless usability. Featuring a large 90 litre heavy duty polyethylene tank and a convenient discharge hose, it enables quick, hassle-free emptying, ideal for demanding cleaning tasks where direct drainage is limited. Designed with sturdy handle and large durable wheels, **V590** ensures smooth mobility while handling even the toughest jobs with efficiency and reliability.

Built to perform in demanding environments such as industrial and manufacturing facilities, warehouses and logistics centres, shopping malls, and commercial buildings.
